## OUR STORY

**BIG cookies. BIG smiles. BIG dreams. Cookie Munchers has some BIG plans for the future, but like most startups, it started small. Cookie Munchers was founded in 2016 by Rowan University graduates Cassandra Aran and Brandon Lucante. The young entrepreneurs decided life is too short to play it safe, so two months after graduating, it was time to risk it all.**

**Cookie Munchers got its start baking late-night out of the back of Ry's Bagels, a local bagel shop in Glassboro, NJ. After nine months of building a loyal customer base with nothing more than a website, Cookie Munchers opened its first storefront location! Located at 217 Rowan Blvd, late-night cookie delivery was just the beginning...**
